Super-Usage	\$5,950.00	\$5,950.00	\$2.83	\$3.25	1 year

## Inmarsat BGAN – Voice/Text Messaging

Service	Rate Per Minute <sup>1</sup>
BGAN to fixed	\$0.99
BGAN to GSM	\$1.10
BGAN to BGAN	\$0.90
BGAN to voicemail	\$0.90
ISDN 56K and 64K	\$5.50
SMS per message	\$0.50
Global One Number <sup>®</sup>	\$7.00 / month

<sup>1</sup> Rates subject to change. Visit [www.satcomstore.com](http://www.satcomstore.com) for current pricing.

<sup>2</sup> Monthly bundle usage applicable to all plans. Allowances are based on combined voice, background IP, messaging, and streaming data use.

<sup>3</sup> Once the designated bundled dollar values are exhausted, out-of-bundle background IP data use is billed at the excess BIP rates associated with the subscribed bundled plan. Out-of-bundle voice, messaging and streaming data are billed at the standard rates.
